

SUSMAN GODFREY L.L.P.

congratulates our 2008 Rising Stars!

QUALITY PEOPLE, QUALITY RESULTS. We at Susman Godfrey will never rest on our laurels. Yet we do like to get them. And we're delighted that 17 of our lawyers have now been selected as Rising Stars for 2008.

"The Rising Stars recognition confirms that constant improvement keeps our best years ahead of us," says managing partner Steve Susman, who founded the firm almost three decades ago. "We are proud to have built an institution that continues to attract the best and brightest lawyers in the country."
