FIRM RESUME

Founded in 1980, Susman Godfrey focuses its nationally recognized practice on just one thing: big - stakes commercial litigation. We are one of the nation's leading litigation boutique law firms with locations in [Houston](#), [Dallas](#), [Los Angeles](#), [Seattle](#), and [New York](#). Each of the firm's **88 trial attorneys** specialize in complex commercial litigation.

How successfully does Susman Godfrey represent its clients?

When *The American Lawyer* recently held the first-ever "Litigation Boutique of the Year" competition, the firm was named one of the two top litigation boutiques in the nation.

"These firms manage to combine cutting-edge technologies, palpable tastes for risk, and an old-fashioned sense of partnership," said *The American Lawyer*. "The rewards are obvious: Their clients are stellar, and so are their profits."

In other words, Susman Godfrey represents its clients *very well*.

A record of winning

Susman Godfrey's very first case, the *Corrugated Container* antitrust trial, led to one of the highest antitrust jury verdicts ever obtained. Since that extraordinary start, the firm has devoted the past 30 years to helping businesses and individuals achieve similarly extraordinary results. Recent high-profile victories (click on the links below to see the particular facts and circumstances of these representations):

- Representation of the plaintiffs in a number of successful private antitrust actions against Microsoft Corporation, including litigation or private negotiations on behalf of [Gateway](#), [Novell](#), [Caldera](#), [Be, Inc.](#), and others.
- Representation of [MicroUnity Systems](#) in patent infringement litigation against Intel and Sony. Although the settlements are confidential, the financial terms of Intel's are disclosed in its third-quarter 2005 10Q.
- Representation of the bankruptcy estate of [Enron Corp.](#) against ten banks and investment banks for aiding and abetting breach of fiduciary duty and fraud. Settlements to date have brought more than one billion dollars in value to the Enron estate.
- Successfully concluded the pro bono representation of [Texas Clean Air Cities Coalition](#) which included Dallas, Houston, Fort Worth, Waco, El Paso, Plano, Arlington, Irving, and 28 other local governments across Texas. The cities were concerned about the

environmental threats resulting from the large amounts of nitrogen oxides, sulfur dioxide, particulate matter, mercury, and carbon dioxide to be emitted from the proposed plants. The coalition of Texas cities challenged permit applications by TXU Corporation to build eight coal-fired power units across Texas. In February 2007, following the announcement of the proposed buyout of TXU by two private equity firms and citing a new environmental direction for the company, TXU announced that it would withdraw applications for all eight of the coal units that the coalition opposed.

These are only a few of our recent cases. Our practice area inserts provide a more complete description of Susman Godfrey's successes in a number of areas of commercial litigation, including [intellectual property](#), [antitrust](#), [accounting malpractice](#), [energy and natural resources](#), [securities litigation](#), and [climate change litigation](#).

The will to win

At Susman Godfrey, we want to win because we are stand-up trial attorneys, not discovery litigators. We approach each case as if it is headed for trial. Everything that we do is designed to prepare our attorneys to persuade a jury. When you are represented by Susman Godfrey, the opposing party will know that you are willing to take the case all the way to a verdict if necessary; this fact alone can make a good settlement possible.

The American Lawyer award confirmed Susman Godfrey's longstanding reputation as one of the premier firms of trial lawyers in the United States. We are often brought in on the eve of trial to "rescue" troubled cases or to take the reins when the case requires trial lawyers with a proven record of courtroom success.

We also want to win because we share the risk with our clients. We prefer to work on a contingency-fee basis so that our time and efforts pay off only when we win. Our interests are aligned with our clients—we want to achieve the best-possible outcome at the lowest possible cost.

Finally, we want to win because each of our attorneys shares a commitment to your success. Each attorney at the firm – associate as well as partner – examines every proposed contingent fee case and has an equal vote on whether or not to accept it. The resulting profit or loss affects the compensation of every attorney at the firm. This model has been a tremendous success for both our attorneys and our clients. In recent years, we have achieved the highest profit-per-partner results in the nation. Our associates have enjoyed performance bonuses equal to their annual salaries. When you win, our attorneys win.

Unique perspective

Susman Godfrey represents an equal number of plaintiffs and defendants. Ours is not a cookie-cutter practice turning out the same case from the same side of the bar time after time. We thrive on variety, flexibility, and creativity. Clients appreciate the insights that our broad experience brings. "I think that's how they keep their tools sharp," says one.

Many companies who have had to defend cases brought by Susman Godfrey on behalf of plaintiffs are so impressed with our work in the courtroom that they hire us themselves next time around – companies like El Paso Corporation, Georgia-Pacific Corporation, Mead Paper, Nokia Corporation and Tenneco.

We know from experience what motivates both plaintiffs and defendants. This dual perspective informs not just our trial tactics, but also our approach to settlement negotiations and mediation presentations. We are successful in court because we understand our opponent's case as well as
