Overview

Named one of *Lawdragon's* 500 Leading Lawyers since 2020, a recipient of the *California Lawyer Attorneys of the Year* award in 2017 and selected as "Top Plaintiff Lawyers in all of California" in 2016 and 2017 by *The Daily Journal*; Steven Sklaver has secured substantial litigation victories for both plaintiffs and defendants. For plaintiffs, Sklaver was lead counsel for a certified class of insurance policy owners, helping them achieve what the Court in the Southern District of New York described as "the best settlement pound for pound for the class that I've ever seen." You can read the Court's statement in full [here](#). You can also read more about the case in The Deal's profile on the litigation [here](#). Sklaver was also lead trial and appellate counsel for investors against an insurance company that resulted in a complete victory and full payout of a \$20 million life insurance policy. A copy of the appellate court decision is available [here](#). To listen to Sklaver's appellate oral argument, click [here](#). That matter was the feature cover story of the *April 2012 California Lawyer*.

Sklaver also represents the former members of the legendary rock group The Turtles in *Flo & Eddie, Inc. v. Sirius XM Radio, Inc.* (C.D. Cal.) in a certified class action lawsuit against Sirius XM that settled less than 48 hours before the jury trial was scheduled to begin. Sirius XM agreed to pay at least \$25.5 million (over \$16 million after fees and expenses) and royalties under a 10-year license that is valued up to \$62 million (over \$41 million after fees and expenses) as compensation for publicly performing without a license Pre-1972 sound recordings. The settlement was [approved by the Court](#), and has received widespread media coverage from publications such as *The New York Times*, *Billboard*, *The Hollywood Reporter*, *Law360*, *Rolling Stone*, *Variety*, *Reuters* and *Managing IP*.

Within six months after the Sirius XM class action settled, so did Sklaver's [copyright class action](#) brought on behalf of artists owed mechanical royalties for compositions made available by Spotify, the leader in digital music

streaming. [Spotify agreed to a class action settlement valued at over \\$112 million](#) (over \$95 million after fees and expenses), a settlement for which the district court granted final approval and remains subject to a pending appeal. You can read more about this matter in [Billboard](#).

Sklaver's many significant and widely covered class action results in 2016 helped secure Susman Godfrey's recognition as *Law360*'s "Class Action Group of the Year" in early 2017. You can read that article announcing the award [here](#).

For defendants, Sklaver has handled numerous employment class actions across the country. He served, along with the Managing Partner of Susman Godfrey, as trial counsel for Wal-Mart, the world's largest retailer, trying a large employment class action in California. He also successfully defended and defeated class certification in numerous, substantial wage and hour matters for Alta-Dena Certified Dairy, LLC, dairy producers for Dean Foods, one of the leading food and beverage companies in the United States. Copies of the pro-employer decisions are available [here](#), [here](#), and [here](#).

Sklaver has tried complex commercial and class action disputes — including jury trials and bench trials in federal and state court, as well as arbitrations. Sklaver graduated cum laude from Dartmouth College, magna cum laude and Order of the Coif from Northwestern University School of Law, and clerked for Judge David Ebel on the United States Court of Appeals for the Tenth Circuit. Sklaver also won the National Debate Tournament for Dartmouth College, and is just one of four individuals in debate history to win three national championships at the high school and collegiate level. From 2010-2022, Sklaver has been recognized every year as a "Super Lawyer" in Southern California, awarded to no more than the top 5% of the lawyers in the state of California (Law & Politics Magazine, Thomson Reuters).

Sklaver currently serves on the Board of Directors for the Western Center on Law & Poverty. Sklaver was also previously selected as a Ninth Circuit Judicial Conference Lawyer Representative.

Notable Representations

Class Actions

- **Copyright Infringement:** Sklaver serves as co-lead counsel with the Gradstein & Marzano firm representing Flo & Eddie (the founding members of 70's music group, The Turtles) along with a class of owners of pre-1972 sound recordings for copyright violations by music provider Sirius XM. The day before trial was to commence before a California jury in federal court in late 2016, Flo & Eddie reached a landmark settlement with Sirius XM on behalf of the class in a deal potentially worth \$99 million. The Court granted [final approval of the settlement](#) in May 2017. Click [here](#) for more. Sklaver with his co-leads were recently named

“California Lawyer Attorneys of the Year” by *The Daily Journal* for their outstanding legal work on this case.

- In May 2017, Sklaver, as co-lead counsel with Gradstein Marzano, secured a deal valued at \$112 million to settle a class-action lawsuit with Spotify brought on behalf of music copyright owners. The suit alleged that Spotify made music available online without securing mechanical rights from the tracks’ composers. Under the terms of the deal, Spotify will pay songwriters \$43.45 million for past royalties, as well as commit to pay ongoing royalties that are valued at \$63 million. Read more about the case [here](#) and see Billboards coverage of it [here](#).
- **Insurance:** In a seminal insurance class action filed in the Southern District of New York, resolved in September 2015, Mr. Sklaver served as lead counsel in a case that challenged Phoenix Life Insurance Company’s and PHL Variable Insurance Company’s decision to raise the cost of insurance (“COI”) nationwide on life insurance policy owners. After winning class certification and defeating two motions for class decertification and a motion for summary judgment, the case settled the day of the final Pretrial Conference — less than two months before trial. Settlement terms included: \$48.5 million cash fund (\$34 million after fees and expenses), COI freeze through 2020, and a covenant by Phoenix not to challenge the policies, worth \$9 billion in face value, when the policies mature on the grounds of lack of insurable interest or misrepresentations in the application. At the final approval hearing, the Court concluded, **“I want to say publicly that I think this is an excellent settlement. I think this is a superb – this may be the best settlement pound for pound for the class that I’ve ever seen.”** You can read the statement in full on page 3 [here](#). You can also read more about the case in *The Deal*’s feature on the matter [here](#).
- **Antitrust:** *In re Automotive Parts Antitrust Litigation*. In the largest price-fixing cartel ever brought to light, Mr. Sklaver and a team of Susman Godfrey lawyers run a massive MDL litigation in which the firm serves as co-lead counsel for a class of consumer plaintiffs in multidistrict price-fixing cases pending in a Detroit, Michigan federal court. The actions, alleging anti-competitive conduct, were brought by indirect purchasers of component parts included in over 20 million automobiles, and involve parts such as wire harnesses, instrument panel clusters, fuel senders, heater control panels and alternators. The Department of Justice has imposed fines exceeding \$2.6 billion pursuant to guilty plea agreements with some of the defendants, and its investigation is still ongoing. The Susman Godfrey team together with its co-lead counsel has defeated multiple motions to dismiss. Settlements have been reached with a certain defendants for a combined \$620 million thus far. Final settlement (after fees and expenses) has not yet been determined. The case remains ongoing against the remaining defendants.

Life Settlements

- Represented Jonathan Berck, as Trustee of the Rosamond Janis Insurance Trust in a \$5 million rescission claim brought by the Lincoln Life and Annuity Company of New York for alleged violations of New York's insurable interest laws and other "STOLI" (stranger originated life insurance) related claims. RESULT: Summary judgment granted in favor of my client. A copy of the summary judgment order is available [here](#).
- Won reversal in a \$20 million life settlement rescission lawsuit against Lincoln Life & Annuity Company of New York. Lincoln's lawsuit was based on allegations that the insurance policies lacked an insurable interest because they were procured by third-parties for investment purposes and because there were net worth and other misrepresentations in the applications. The appellate court ordered that the trial court enter judgment in favor of the trust. The appellate court also affirmed our trial court victory that Lincoln's fraud claim was time barred because the policies were incontestable. The case is *Lincoln Life & Annuity Co. of New York v. Jonathan Berck, as Trustee of the Jack Teren Insurance Trust*, Court of Appeal Case No. D056373 (Cal. Ct. App. May 17, 2011). A copy of the appellate court decision is available [here](#). The *Teren* case was the feature, cover story of the [April 2012 California Lawyer](#).

Mr. Capellas was right.
