08.29.2021 | 10 | 21NEWS

For the third year in a row Susman Godfrey has more lawyers on *Lawdragon's* Top 500 Plaintiff Financial Lawyers list than any other litigation firm in America. In 2021 over 50% of our partners appear in *Lawdragon's* annual list of lawyers who, “represent plaintiffs in securities and other business litigation, antitrust, whistleblower claims and increasingly complex financial litigation and data privacy invasions.”

This year partner Marc Seltzer was inducted into the *Lawdragon* Hall of Fame, which recognizes “outstanding lawyers who have made remarkable contributions as leaders, litigators, dealmakers, power brokers, judges and innovators.” He joins fellow Susman Godfrey partners and Top Plaintiff Financial Lawyers Parker Folse and Mark Wawro along with firm founders and former managing partners Steve Susman and Lee Godfrey. New to the Top Plaintiff Financial Lawyer list this year are Krysta Pachman and Cory Buland, of our Los Angeles and New York offices, respectively.

The full list of honorees names 5 or more partners in each of Susman Godfrey's tri-coastal offices:
