# SUSMAN GODFREY

---

Forty-nine Partners from across all four of Susman Godfrey's offices have been included on *Lawdragon's* first list of the country's 500 Leading Litigators. Susman Godfrey has more lawyers on this list than any other firm. In addition, **with 58% of the firm partnership included, Susman Godfrey is a rare case among the list of leading firms where more than half of the partnership is recognized.**

This inaugural list includes attorneys who “excel representing principally corporations and other organizations in litigating claims involving Antitrust, Securities, Financial, M&A, Intellectual Property and Patents, Product Liability, Mass Tort, White Collar, Government Investigations and Energy disputes.”

This is the third time this year Susman Godfrey has led a *Lawdragon* ranking. In February, sixteen partners were among *Lawdragon's* prestigious Lawdragon 500 (more than any litigation firm on the list) and in July, forty-two partners were included on the annual list of the country's Leading Plaintiff Financial Lawyers (beating out all other litigation firms).
