Washington Super Lawyers profiled Seattle Partner Parker Folse in its 2023 magazine.

SUSMAN GODFREY

Writer Ross Anderson takes a deep dive into Folse's career – from its start in Susman Godfrey's Houston office, to his first major win against Microsoft, to founding the firm's Seattle office, to his "Perry Mason moment" securing a multi-million-dollar jury verdict for Colorado entrepreneur, Jim Butterworth.

The article also describes Folse's love of heavy metal music, why his mom is his hero, and why he once cooked breakfast for Supreme Court Justice William Rehnquist.
