Srinivasan is recognized as a top lawyer for her industry leading IP work, including for securing last year's unanimous \$706.2 million jury verdict for real estate analytics firm, HouseCanary, in its misappropriation of trade secret, fraud, and breach of contract case against Title Source in March, which was confirmed by the court later in 2018.

In 2018, Srinivasan also obtained a \$113 million settlement for plaintiffs in a copyright class action against Spotify, which became effective this year, and was named by the court as co-lead counsel to represent a certified class of consumer plaintiffs in an MDL action challenging Qualcomm's anticompetitive practices.

Srinivasan was also recently named an "Intellectual Property MVP" by *Law360*, solidifying her position as one of the industry's leading IP trial lawyers.
