The *Los Angeles Daily Journal* has named Los Angeles Partner Kalpana Srinivasan among the 100 “Top Women Lawyers in California” for the third year in a row.

*The annual Daily Journal list of Top Women Lawyers in California, which has been running for over ten years, highlights “women lawyers who have made a difference to their clients, their firms, their profession.” The women named to the list are some of the most accomplished female attorneys in California today, representing excellence in private practice, corporate counsel and public interest law.*

Srinivasan receives this honor just a few weeks after securing a \$706.2 million unanimous jury verdict for client, HouseCanary, in their high-stakes misappropriation of trade secret and breach of contract dispute against TitleSource, Inc. Srinivasan served as co-lead counsel to HouseCanary and played a crucial role in the 7 week trial that led up to the landmark win.

*The article describes Srinivasan’s leadership role in this case and others, saying “when the stakes in a winner-takes-all contest are high, plaintiffs can count on Srinivasan to throw down a reliably strong hand.”*
