*Super Lawyers* is a rating service of outstanding lawyers who have attained a high degree of peer recognition and professional achievement. The patented selection process includes independent research, peer nominations and peer evaluations. The top 5% of lawyers in a selected region are named as "Super Lawyers."

The selection process for the Rising Stars list is the same as the Super Lawyers selection process, with one exception: to be eligible for inclusion in Rising Stars, a candidate must be either 40 years old or younger or in practice for 10 years or less. No more than 2.5% of the top attorneys in a selected area are named to the Rising Stars list. *Super Lawyers* is published by Thomson Reuters.
