

Stephen Susman Authors Law360 Article on Reducing Risk in Contingency-Fee Cases

03.31.2014 | 10 | 21NEWS

Susman Godfrey founder Stephen Susman recently authored an article in Law360 on ways attorneys can reduce risk in contingency-fee cases.

In the article, Susman says, "Having done this for over 30 years, we've refined our process by comparing eventual outcomes to initial evaluations."

Susman also provides a case evaluation checklist and a list of recommended case management procedures.
