

# Susman Godfrey Named One Of “The World’s Leading Patent Litigators” for 2011

06.01.2011 | 10 | 48AWARDS & RECOGNITIONS, NEWS

Susman Godfrey was named one of “The World’s Leading Patent Litigators” for 2011 in *IAM Patent Litigation 250* by *Intellectual Asset Management (IAM)* magazine.

This is a unique guide identifying the top patent litigation lawyers in key jurisdictions around the globe. Over three months, *IAM*, conducted telephone interviews and email exchanges with numerous attorneys at law, patent attorneys and in-house counsel to gather market intelligence on the leading players in the field.
