Susman Godfrey attorney Davida Brook was featured in California Super Lawyers Spring 2019 issue for their special section, Discovery Q & A in Brief, a profile which poses a series of questions to a lawyer and asks them to respond with the first thing that comes to their mind. Brook has been recognized as a Rising Star by the publication every year since 2017 – honor awarded to the top 2.5% of lawyers in the Southern California area under the age of 40.

In the feature, Brook, who recently secured a jury verdict valued at \$25.25 million for client Steven Lamar in a breach of contract dispute against Dr. Dre and Jimmy Lovine, delves into matters such as her pre-trial routine and the craziest thing she has ever witnessed in a courtroom as well as what she can't live without and how she likes to celebrate winning a case.
