

SHELBY L. LONGORIA

Dear Johnny, Oct 17 2016
I wanted to take a few moments to express our (my wife and children's) gratitude to you, Rick and your entire Susman Team for helping us bring to a final conclusion our family conflict. Your level of professionalism, legal expertise and attention to detail exceeded all my expectations. In addition, your daily commitment to ensure that every step of the way was being looked after only confirmed that all of you went above and beyond in making certain that no detail was overlooked or attended to.

My most sincere congratulations for a most satisfactory conclusion to our case and it would give me great pleasure to provide any potential client with my recommendation.

Sincerely,

Shelby
